Subject: Black Flag Disposable Flytrap

Hi Chad: My supervisor, Kimberly Bingham, told me that Region 10 is working on a case involving Black Flag products. This file is actually from 2015. We were told by North Carolina (who conducted the inspection) that Linda Hollis at EPA HQ was already involved in pursuing this case. I tried several times to get in touch with her but never received a response. So it has languished.

Anyway, I have attached the entire file. Please let me know if you would like me to send the hard copy file as well.

Let me know if you have any questions.

Pat
